GM Note's

Run: 2496

Date: 12 December 2019

Bunny: Christmas Merrymakers

Runsite: Shamrock Beach, watertank

The run, set earlier on Wednesday, was a short run that went down towards Leader Garden and swung back up the ridge and then back down towards Shamrock. It was planned that way so that all could be back in the light to enjoy the festivities of the Christmas Run!

On the Thursday the usual faithful gathered for the run and Christmas party. As the FRBs went off into the jungle, the strollers and walkers went off to do their version of the run leaving Grandma and Molly to walk up and down the road for their exercise.

During this time the food arrived as the main co-ordinator Nellie @ No Choice

Hash House Harriets Penang

turned up with her car laden with food ably assisted by Wankston Churchill. Two tables were set up and soon filled with chicken (various types), pork (various types), soup, potato salad, green salad, vegetables, spring rolls and not forgetting dessert (various). There was food fit for a wedding banquet and all thanks to the effort of No Choice who presented too much choice!!

The food was delicious and the hashers returned to the laden tables again and again whilst also visiting the beer-wagon for the subsidised beer. The evening was cool and balmy and with the full moon reflecting off the water it was a wonderful sight and made us all know why we love Penang so much. After some time for the crowd to eat their fill we had a short circle as normal.

I thank all those who contributed in any way towards the Christmas run whether by donation or cooking or help in any way. Your contributions made the evening a wonderful night. Special thanks however must go to No Choice for the superb effort in organising and cooking much of the food and to Wankston Churchill for his support and help.

Circle

1. Mem Sahib was first to sit on ice this week. She had a fit of the giggles and everyone said she was drunk!! If so it was either on water or the juice she had brought. I think the latter. Probably had some vodka in it too!! Even when off the ice it took her some time to stop! A nice start to the circle.
2. We decided to hold the monthly birthday celebration early as both Molly and Huge were present with a birthday on the same day (8th). Unfortunately Saylor (19th) was not present but we wish you all a very Happy Birthday.

3. Becky was then called out to the ice by the GM. She has been running for a while now and deserved a name. Bommy related a story about Becky and W'Anchor from a few weeks ago. Apparently W'Anchor was in front and stopped to bend down to tie his shoe just as Becky came from behind and exclaimed "What a sight" actually meaning the view but naturally W'Anchor believed it to be a reference to his backside. W'Anchor, although not present on the night, had texted both Bommy and the GM with a suggestion for a name. "Astrologist". After discussing this and a couple of other names, one being "Fly-

ing Sheila" Arsetrologist carried the vote. Bommy and then Ronnie Tour did the baptism.

4. BC Lim was then called to the ice. He was going around taking his normal selfies and wefis so not only did the GM put him on ice for representing Hollywood, Bollywood, Tollywood, Kollywood and every other ...wood she introduced him to all present as it is BC's run next week.

5. No Choice was THE choice to represent the Christmas Merrymakers for their wonderful hosting of the Christmas Run. The food was delicious and more than plentiful. No Choice had done a fantastic job in organising, cooking and she even helped to set the run. Thank you so much to ALL who contributed in no matter what small way to make the evening a tremendous success.

I will be away for the next 3 weeks so please refer to the remaining Committee members for any issues arising.

I take this opportunity, although a little early, to wish all a very Merry Christmas and a Happy, Healthy and Prosperous 2020.

One final note: SUBS FOR 2020 are due!!!
