## GM's Note's

---

*Run: 2501*

*Date: 16 January 2020*

*Bunny: Committee Run*

*Runsite: Bee Gallery*

Firstly, we send our most sincerest condolences to Grandma on the passing of her brother last Thursday. May he Rest in Peace.

Secondly, it was actually Rose's run last Thursday but on hearing from Rose what had transpired, the Committee quickly conferred and decided to take on the run at short notice since the trail had been set and the food ordered.

We had three guests for the evening Yolanda, Moira and Kali plus one new member. The member numbers were down a little but a number had gone to Cambodia for a HashRun there.

# Hash House Harriets Penang

The trail started at the dumpster in the Botanical Gardens and after pushing up through the bush and a sweaty climb and some skirting, it exited by the bridge and stream. In all a medium run but made difficult by the carpet of dried leaves and very dry shaley soil.

The first runners were back by the hour and all were safely returned before dark. Food of chicken masala and fried vegetarian bee hoon were eagerly devoured and Molly had brought some cake and Koay, originally destined for Rose, which we thank her for. (We also thank the Committee for taking over the run and for subsidising the beer....Ed.)

*Next Week we are at Mount Pleasure,  
for Huge's Run,  
Please come and support*

We have had some resignations from the Club this year and so the hareline is being re-jigged. In which case runs dates will have to be changed at short notice especially in the early part of the year. I hope you will understand and accept the changes.

SUBS FOR 2020 are due!!! Please pay early so that we know how many members we have and can fix the hareline as mentioned above. If you are not going to be a member this year we would also like to know. Many thanks.

## Circle

1. Welcome to guests Yolanda, Kali and Moira.
2. We then welcomed Arsetrologist's other half in Allan Barreau @ Wheels who, like Bec, is stationed here for three years and we will hopefully be seeing a lot of him in the future. Welcome to the Club Wheels!!
3. The GM then put Bommy on ice. Not sure what for now as the memory is going but always a good charge to make especially if Take Care is not around!!

4. The GM then called out Viking. After some waffle about something or other she finally remembered why he was on ice. It was his 301st run with the Harriets. Congratulations Viking.
5. A CFTF by Akz Hole then saw the GM on ice. The charge was that she is getting very forgetful these days hence the waffle regarding Viking just before and was backed up by the General saying that she still forgets his name after 10 years!!
6. The last icing of the evening was reserved for the run setters who made a very good run as acknowledged by those who actually did it! Thank you.

## Funnies

A stick is just a stick when you've unstuck it from a tree.

Feet smell and noses run.

If I touch my phone in the right places, someone comes and brings me a pizza.

Legs are like arms to your butt.

What if your dog realized you contain loads of bones?

From the viewpoint of chairs, humans are mainly butts.

The first parents ever to have identical twins must have been really confused.

The Titanic's sinking was a true miracle to the lobsters in the kitchens.

Youngest person alive – that must be a world record that gets broken the most often.

I wonder on how many animals' backs did we humans have to jump until we found that horses are OK with it.

When you clap, you hit yourself repeatedly because you like it.

I'd love to know how the phrase "when the shit hits the fan" came into being – with dates, names and pictures.
