### GM's Note's

*Run: 2505*

*Date: 13 February 2020*

*Bunny: Chinese New Year Committee*

*Runsite: Bee Gallery*

A good turnout for the CNY run at Bee Gallery, with around 2/3 the membership turning up as well as 2 guests. The run was good (more of that later from Lucy), the food all home cooked was delicious and plentiful and the beer was subsidized. Many thanks to the CNY Organising Committee headed by Silent Man who not only set the run but did much of the cooking himself too!! It was a great evening and we stayed until the very end when the beer ran out!!!

*Next Week we are at Batu Gantung,  
for W'Anchor's Run,  
Please come and support*

Please inform the On Sec a.s.a.p. where your run will be

**Please respect the environment which we enjoy each week and ensure that no rubbish is left at the site, including cigarette butts, scraps and general litter. Thank you.**

I'm sorry if you think your run has come around very quickly but it cannot be helped since we have more leave than join and of those leaving a number had runs early in the year. We are also adding in a number of Committee Runs to stretch out the run frequency.

SUBS FOR 2020 are due!!! Please pay early so that we know how many members we have and can fix the hareline as mentioned above. If you are not going to be a member this year we would also like to know. Many thanks.

## Burst by Lucy

This week's Chinese New Year run was a perfect mix of virgin trail, Mt Olivia and Angpau. Setting off from Bee Gallery we went in between Mt Olivia and the Botanical Gardens. The combination of steep ups, a lot of leaves and an earlier downpour of rain made for a slippery 'trip' (quite literally) up the mountain. After going off paper and heading up instead of down after about 15 minutes in, this was quickly rectified and we happily followed paper for the remainder of the run. We scrambled up and down, across hill sides, over creeks...and even hit trail for an exciting few minutes before heading back into the virgin jungle again. It was a great longer run with the first popping out after about an hour and despite the cut hands and bruised bums (well mine were at least) all enjoyed the run set by the fabulous hares of the CNY group. The only hiccup was that whilst this may be the Chinese New Year of the Rat, you could have very well thought it was the Year of the Dog as we had a furry friend join us for the entirety of the run! Whilst more of a hindrance than a help, it was nice to have some company and we hope he makes it back to his owners by Hari Raya. (His owner tracked him down at the runsite and so they were happily reunited...Ed.)

On on, Lucy

## Circle

1. Welcome to the guests. Volker and Woodpecker. It's always great to see you both.
2. The GM then put Juliana on ice. She was very keen before Christmas but had been MIA since then. It was good to see her back once again.
3. Karlein was next on the ice. She has been running as a guest but decided to join this week so she becomes our newest member for 2020. Welcome
4. A CFTF by the General and Speed Hound saw the GM on ice. They complained that the GM was back to telling longwinded Grandmother stories at the opening circle when everyone wanted to get going!

5. A CFTF by W'Anchor saw Rupiah on ice. Apparently there was a dog on the run (see Lucy's write up ...Ed). It turns out his name was Money and took a liking to Rupiah when it got back to Bee Gallery. Naturally W'Anchor was amused and stated that Rupiah should swap her old Money for the newer model and his one had four legs!!

6. The final icing was made by the GM on Take Care. As reported last week TC was unhappy the GM wasn't there for his run so the GM used this time to apologise to him in person.

## Funnies

Do you know how Moses makes his tea? Hebrews it!

A bacon sandwich walks into a bar and orders a whiskey.

“Sorry,” growls the bartender, “we don’t serve food here.”

How to achieve a beach body?

1. Have a body
2. Arrive at the beach.

Getting fat wasn’t my intention. It was a pure and clear snaccident.

I was kind of bored lately so I decided to take up fencing.

But the neighbors are threatening to call the police unless I put it down again.

Does your wife scream when she is coming?

No, my wife has a key to the door.

Would you mind if I took a picture of you naked?

Sure, why not – if it isn’t too cold for you here?

Why didn’t the toilet paper go down the water slide like everybody else?

Well, he got stuck in the crack.

Coffee is the silent victim in our house. It gets mugged every day.

They’re building a restaurant on Mars now. They say the food will be great, but they’re worried about a lack of atmosphere.
