## GM's Note's

**Run: 2506**

**Date: 20 February 2020**

**Hare: W'Anchor**

**Runsite: Batu Gantung**

WOW!!! What a night!! Packed full of people, many remaining until all the beer had gone, all 15 crates of it!! But I get ahead of myself.

Being forewarned by the Hare himself that it was to be a long run, No Choice, Pimp, Akz Hole and I decided to go in very early. Viking also turned up at the same time and so we all started off together but it wasn't long before Viking was way ahead with the rest of us following. I won't say much more about the run here as Pimp has done a burst below. Suffice it to say the two men found it tough going and No Choice zoomed away once we told her not to wait for us.

Arriving back at the run site after 2.5 hours there was a carnival like atmosphere

# Hash House Harriets Penang

with lots of Hashers milling around already quaffing beers and waiting for the food. There were many guests alongside our 38 members who attended the run. Many familiar faces, curious on-lookers and the normal advantage takers!

Karlijn, our fastest member, finished first having literally zoomed by us on the last loop followed by a number of others but many others had definitely short-cutted by taking the path straight up at the big viewing rock instead of following paper, as they never passed me but were already back at the runsite drinking away and telling stories of how quickly they had done the run!! That's Hashers for you!!

It was great to see the guests mingling around, some catching up with old friends and some making new acquaintances. It was a lively, noisy but fun evening and with the food truck serving freshly cooked Jawa Mee and fried noodles the evening just kept on going. Finally we managed to have the circle.

Many thanks to W'Anchor for his very generous hosting and for bringing along so many guests. The run was long and I know some found it tough but I certainly enjoyed it. The food was very good and alongside the 15 crates of subsidized beer (the beer actually ran out) made for a Harriet night to remember for a long time to come.

**Please respect the environment which we enjoy each week and ensure that no rubbish is left at the site, including cigarette butts, scraps and general litter. Thank you.**

I'm sorry if you think your run has come around very quickly but it cannot be helped since we have more leave than join and of those leaving a number had runs early in the year. We are also adding in a number of Committee Runs to stretch out the run frequency.

SUBS FOR 2020 are due!!! Please pay early so that we know how many members we have and can fix the hareline as mentioned above. If you are not going to be a member this year we would also like to know. Many thanks.

## Burst by Pimp

It's always tough writing a burst from the rear of the pack but you do get to say hello to everyone that passes you at least once. So, after much setting of expectations by W'Anchor for what was slated as a "bastard run" we decided to set off early knowing the 1.5 hour head-start was never going to be enough for this one. Myself, Akz Hole, Just Beer, Viking and No Choice set off into the ancient rubber forests of Batu Gantung expecting the worst.

Viking was off like a cow-horned cross-dresser in a hurry to pillage yonder lands so we didn't see much of him after 15mins, Akz Hole and I followed, while No

Choice lurked behind us with Just Beer. Of course, the money was on them both overtaking these 2 fat blokes as we complained about the up-down-up terrain of W'Anchors trail which by then had started to wreak havoc on the jelly legs. As we started the final ascent, the first front runner, now aptly named, Pee Horn, flashed past us like we were in slow motion followed in turn by the rest of the spritely young lasses who weren't looking like breaking a sweat. Eventually Harriets' regulars paraded past, Monkey King even stopped for a chat (aye) as we neared the highway. The On Down was simple but brutal on old knees and I considered hitching a ride down with one of the farmer uncles that passed us on their crusty motorbikes.

Akz Hole and I finally arrived back at base to much jeering as is befitting the tail-enders but the beer was cold and the noodles were excellent. W'Anchor had arranged a big group of guests from other clubs so the atmosphere was carnival and some of our newer members finally received their Hash names in a ritual manner inc, Pee Horn, Gyrating Gypsy and Arse-over-tit. W'Anchor was iced up of course as it turned out to be one of the best Hash nights ever! Great job W'Anchor and Harriets' Committee... Let's rock!

ON ON Pimp

## Circle

1. Welcome to the lady guests. They came. They ran and by all accounts had a great time! You are always welcome to come back and run with us any time.
2. Welcome to the male guests. As there were so many males guests W'Anchor selected 3 to represent all his male guests as the epitome of male hashing in Penang. HA! HA!
3. Karlijn was next on ice. She officially joined last week but had done a few runs previously hence it was decided to give her a hash name. W'Anchor had remembered an incident from a couple of weeks ago involving a urinal device that Karlijn called something like a Dong John. However the girls came up with a better name and in the end she was baptised as PEE HORN.

4. Luca was next up. She too is a new member and has done a few runs. Apparently she loves to dance and moves very well we were informed. She also comes from Hungary supposed home of travellers. Somehow these two facts evolved into the name GYRATING GYPSY which once again W'Anchor presided over the baptism.

5. It's a rare occasion that we have 3 namings in one evening but Lucy was also

due a name and so she was next on the ice. On her first or second run she was with Black German but she got tripped somehow and she went rolling down the hill. ARSE OVER TIT as we say and that was that.

6. A CFTF by guest Shark, saw the returning Fancy Pants on ice. Naturally enough his famous striptease was the order of the day no doubt to impress all the young new Harriet female members!!

7. Hare on ice! Many thanks to W'Anchor for the amazing evening. It was certainly full of noise and fun. Thank you for the tough run but giving the heads up to the members to start early and for providing the food truck and subsidising the beer.

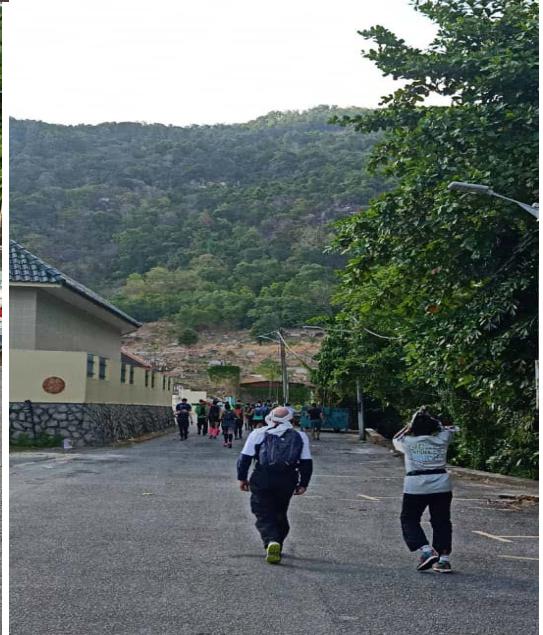

If it hadn't run out  
we might still be there!!

## Funnies

“Captain, we ran out of ice cubes!”

Captain: “I have an idea. Machine room: 10 degrees starboard!”

(True story of the Titanic)

Strangers on a bus are like batteries. You can instantly tell how much energy they have left by licking them.

I always learn from the mistakes of the people who follow my advice.

A little boy, already tucked in bed, asks his daddy to please leave the light on.

“But why? Such a big boy?”

“I’m afraid of the dark, daddy...”

“Now that’s just racist, son!”

I liked the tree better than the book.

A girlfriend and boyfriend lying in bed cuddling:

“Am I your dream woman, Jake?”

“You are much more than that...”

(Girl giggles) “How much more, Jake?”

“About 40 pounds.”

Women’s shampoo: Exclusively for curly, blonde, fragile hair.

Men’s shampoo: 4 in 1 hair, body, dishes and car wash.

Police: Do you know why we stopped you?-

Man: No, I’m as baffled as you are!
