## GM's Run Notes

**As we all know the Covid-19 pandemic has caused massive disruption around the World and even here in Penang we have not been spared as the FTAC 20<sup>th</sup> Anniversary event had to be cancelled. We, as fellow Hashers, feel extremely sorry for them that after 2 years of very hard work putting it together it had to be called off at the last minute under a State mandate on large gatherings. We do hope that FTAC will still put on events in the future and our Chapter will certainly support them.**

**Back to our run:**

**Having set the run on a cool Wednesday morning with some welcome drizzle, the weather changed again on the Thursday and the heat was back on, hot and humid! We planned a short run going up and over rocks, crossing the lemongrass path at the top and descending steeply down to the stream. Up the opposite bank we turned right on to a lesser trodden path where we turned right again and came out at the Bougainvillea garden at the top of Youth Park, then back to the run site.**

**On Thursday evening the Hashers gathered waiting the instructions and then loped off. It only took 45 mins for Iceman to be back closely followed by Karlijn, Amazing J and Kathleen. As time passed the rest trickled in except for Fancy Pants. Finally he also returned but from the 'On In' direction.**

**The rest of the evening we sat around chatting and had our quick circle so as not to waste valuable drinking time. Despite the numbers the evening was fairly muted with many wondering about the FTAC event on the Saturday and if it would still be on. It was, sadly, eventually cancelled on the Friday.**

**Many thanks to Pussycat for hosting the evening and food which was delicious!**

**On behalf of the Harriets we send a "Hoping you have a quick recovery" to Money Manfred after his recent surgery. Looking forward to seeing you at the runs very soon once again.**

**Next Week we are at Shamrock Beach – Kali's Corner for**

**Kiss Me's run.**

**Please come and support**

*Please respect the environment which we enjoy each week and ensure that no rubbish is left at the site, including cigarette butts, scraps, food/drink containers or general litter. Thank you.*

**Fancy Pants got his directions mixed up and did the reverse run!!**

**Iceman came back almost at full speed. Asked why he said he needed to get away from the girls who were constantly chatting whilst on the run.**
