## GM's Notes

Hi Everyone,

Well another month of Hashing has gone by and we are having a great time. The numbers may be relatively small (around 20+ usually) but we have great camaraderie, good runs and food aplenty. Many thanks to those who hosted during the month. Namely:

1. Speedhound at Bee Gallery
2. Pussycat at Charlie Market
3. W'Anchor at Bukit Gambir
4. Tuko @ Bee Gallery
5. Botak Chin at Charlie Market

The new updated Hareline has been published and can be seen below. Please check for your run and confirm if the date is suitable for you. We will do what we can to accommodate you but we need time to change things so please let us know EARLY if you need to change. Please note we all have to take a turn at some point. I find getting it done early makes for a more relaxed feeling.

Our numbers are steadily increasing with 50 members now and our new faces are definitely on the same wavelength as our regulars as can be witnessed at the runsite especially when the beer is flowing. It is great to see everyone mixing together and the atmosphere is the fantastic. Keep it up.

Stay safe. Stay Healthy.
